Three day programs: Kay School's hands-on, project-based curriculum incorporates project-related activities that extend for several days during the week. Student participation in each project is at the core of the learning experience. For this reason, we urge families that chose to enroll in the three-day programs to do so for three consecutive days (Monday-Tuesday-Wednesday are strongly recommended) in order to optimize their child's experience.

Half-day programs are not available to students in the 4-year-old (PreK) programs.

Material Fee: In addition to tuition, a one-time Material Fee of \$250 will be assessed to help defray the costs of textbooks, fieldtrips and supplies. The Material Fee is due on August 1, 2020.

Tuition Discount: Tuition is discounted by the amounts shown above, if the student is fully enrolled no later than March 31, 2020, that is, a signed Enrollment Contract and Enrollment Fee are received by the school by March 31, 2020.

Sibling Credit: A credit of 10% of the annual tuition is applied when a sibling is also enrolled at the school (excluding the Kay Club). If three siblings are enrolled, 15% of the annual tuition will be credited.
